

# Meet your **TEACHER**

## **EVFS Caterpillars**

### **What I am looking forward to in September:**

**Getting to know my new class of Caterpillars; what excites them and the things they love. I'm looking forward to working together to make the Caterpillar class a happy place for all of us to learn and have fun in!**

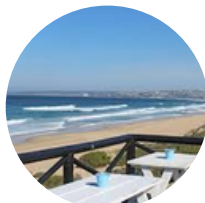

### **About me:**

**I am originally from South Africa. I am married and have 2 children, both of whom are at university. I have been teaching for 28 years (mostly in Reception) and have been a part of the St Pauls family for 5 years. I enjoy gardening, my favourite colour is blue, and I love to bake.**

## **My favourite things**

A good  
coffee

Going to  
my  
favourite  
beach

My cat,  
Luna
