

# Meet your **TEACHER**

## **Year 2 Sharks**

**What I am looking forward to in September:**  
I am looking forward to meeting my new class and getting to know them! I can't wait to learn and explore new things whilst having lots of fun.

## **About me:**

I have been teaching at St Paul's for 3 years, but I went to school here as a child - Mrs Kaye was my Year 6 teacher! I love sports and being active and enjoy being outside. My favourite colour is pink, and my favourite animal is an elephant.

## **My favourite things**

I love  
chocolate!
