

Meet your **TEACHER**

Year 6 Eagles

What I am looking forward to in September:

I'm looking forward to getting to know my new class and making a fresh start for the new school year.

About me:

I'm originally from New Zealand, but I've been living in the UK since 2012. I started teaching at St Paul's in 2025. One of my favourite subjects to teach is maths – though I didn't like it much when I was at school! I also enjoy puzzles, riddles and games.

My favourite things

Travelling

Food and
cooking

Sport
(especially
rugby)
